

Trevi Washcloth

By Amelia Makes

The Trevi Washcloth is a durable design with just a hint of detail. Mostly done in single crochet, the border is added afterwards in the round.

The Trevi Washcloth

Materials Needed

- Approximately 70 yards of worsted yarn
- G hook (4.00mm)

Abbreviations:

- Ch-chain
- Sc-single crochet
- Dc-double crochet
- Ss-slip stitch

Directions

Main Washcloth Body:

- Ch 33
- Row 1: skip one ch and sc in every other stitch(You should end up with 32 stitches in every row). Ch1 and turn.
- Rows 2-36: sc in every stitch.Ch1 and turn.

Border:

- Round 1: To create the simple border lace on this washcloth and also make it a bit larger, start by chaining 3. *ch1, skip one stitch and dc* repeat across the row, putting a dc into the last stitch.

- Ch3 and put another dc into the same place to create the first corner.

Continue going around the other three sides of the washcloth this way. My washcloths ended up with 15-17 spaces around each side.

- Round 2: ch1 and sc into every stitch along the sides. Sc4 stitches into each corner space. At the end of the row, simply ss and you're done!
